Patent No. 7,517,910 :
Issued April 14, 2009 :

POWER OF ATTORNEY**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The attached replacement Declaration and Power of Attorney corrects an inadvertent error that was made on page 1 of the executed Declaration and Power of Attorney filed September 29, 2006.

Namely, in the latter, an X mark was used to reference both

“...the attached specification...”

and

“...the specification in International Application No. PCT/2005/006522, filed March 28, 2005...”.

The X mark in front of “...the attached specification...” was an error, which is corrected in the attached replacement Declaration and Power of Attorney.

The attached Declaration and Power of Attorney includes both Japanese language text and English language text; the English language text constitutes an accurate translation of the Japanese language text.

In view of this clerical error, Applicants respectfully request entry of the attached replacement Declaration and Power of Attorney.

Respectfully submitted,

Tsunco YASUMA et al.
